FOR THE YEAR ENDED 31 December 2018**

Your directors present this report on the entity for the year ended 31 December 2018.

Directors

The names of each person who has been a director during the year and to the date of this report are:

Peter Hunt AM (Chair)
Cassandra Treadwell
Keri Chittenden
Andrew Bloxham
Michelle Goldstone
Ian Kortlang
Paul Murnane
Dianne Lucas
Jeremy Sandbrook (Resigned on 23 March 2018)

Directors have been in office since the start of the year to the date of this report unless otherwise stated.

Principal Activities

The principal activity of the entity during the year was as a registered charity carrying out fundraising for and program oversight of international development activities that support education and sustainable community development projects. This involved raising funds and awareness in Australia and together with So They Can entities globally, overseeing programs in Kenya and Tanzania to help meet the short and long term objectives of the entity.

The entity's short-term objectives are as follows:

- Continue fundraising activities and program oversight to support the following international development programs:

In Kenya:

- Aberdare Ranges Primary School is a full primary school, with 1080 students catering to early childhood development through to standard eight.
- Miti Mingi Village cares for up to 120 orphaned and vulnerable children.
- The medical clinic for the Pipeline community in Nakuru that supports a community of 20,000 and carries out approximately 700 health appointments each month, supplying vital medication and medical treatment.
- Social business including the Sew Women Can sewing project which employs and provides skills to single mothers.
- A microfinance business school and entrepreneur mentoring project which supports the local community.

In Tanzania:

- The Mamire Teachers Training College; a boarding college that provides a Teachers Diploma and Certificate Qualification. To improve the education and school learning environment, Mamire Teachers Training College provides students with an exceptional education. Completed facilities at the end of the financial year included classrooms, a library block, tutors' houses, one multipurpose hall, student accommodation dormitories and associated sanitary blocks.
- An education collaborative in the rural Mamire region to support twenty six primary schools during the year, for which a pilot program for four schools was carried out during the year. Support provided included educational materials, water tanks and the WASH program, sports equipment, provision of a school feeding program, in service training and the up-skilling of teachers through teacher mentors.
- Social business projects aim to support the community through innovation, agricultural production, community development and funding of education projects. These projects include farming projects and a bicycle shop.

**SO THEY CAN
ACN 138 063 475**

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The entity's long-term objectives are as follows:

- To undertake fundraising and provide program oversight and governance to empower communities through education so they can break the poverty cycle, enabling them to realise their own potential and meet their own needs. To achieve the above objective, So They Can works in partnership with affiliated So They Can entities globally, local communities and Governments, to address the root causes of poverty to empower those communities through education and sustainable development activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are for So They Can as an individual not-for-profit entity, incorporated and domiciled in Australia as a company limited by guarantee.

Basis of Preparation

These financial statements are Tier 2 general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements adopted by the Australian Accounting Standards Board and the *Australian Charities and Not-For-Profits Commission Act 2012*.

These financial statements are presented in Australian dollars, which is the Company's functional and presentation currency.

Significant accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated. The financial statements have been prepared on an accruals basis and are based on historical cost, unless otherwise stated.

The financial statements were authorised for issue by the Board of Directors on 30th April 2019.

Accounting policies

Except for the change below the Company has consistently applied the accounting policies set out in this note to all periods presented in these financial statements.

The Company has initially adopted AASB 9 *Financial Instruments* from 1 January 2018. AASB 9 sets out requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items. This standard replaces AASB 139 *Financial Instruments: Recognition and Measurement*.

Classification and measurement of financial assets and financial liabilities

AASB 9 contains three principal classification categories for financial assets: measured at amortised cost, fair value through other comprehensive income and fair value through profit and loss. The classification of financial assets under AASB 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. AASB 9 eliminates the previous AASB 139 categories of held to maturity, loans and receivables and available for sale.

AASB 9 largely retains the existing requirements in AASB 139 for the classification and measurement of financial liabilities.

The adoption of AASB 9 has not had a significant effect on the Company's accounting policies relating to the classification and measurement of financial assets and financial liabilities. All financial assets and liabilities, following recognition, continue to be carried at amortised cost. There has been no adjustment to the measurement of financial assets on transition to AASB 9.

Impairment of financial assets

AASB 9 replaces the "incurred loss" model in AASB 139 with an "expected credit loss" (ECL) model. The new impairment model applies to financial assets measured at amortised cost, contract assets and debt investments at fair value through other comprehensive income, but not to investments in equity instruments. Under AASB 9 it is anticipated that credit losses are recognised earlier than under AASB 139.

(a) Revenue

Donations, bequests and sponsorship are recognised as revenue when received.

Grant revenue is recognised in the period to which it relates.

Project visit revenue is recognised when the service is rendered.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established. Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Property, plant and equipment

Each class of property, plant and equipment is carried at cost, less, where applicable, accumulated depreciation and impairment losses.

(i) Plant and equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

(ii) Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Annual Depreciation Rate
Plant and equipment	5.00% - 33.00%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year.

Each asset class's carrying amount is written down immediately to its recoverable amount if the class's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

(c) Finance income and finance costs

The Company's finance income and finance costs include: interest income and interest expense.

Interest income or expense is recognised using the effective interest method. The "effective interest rate" is the rate that exactly discounts estimates future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortised cost of the financial liability.

**SO THEY CAN
ACN 138 063 475**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Trade and other receivables

The recoverability of debtors is assessed at balance date and provision is made for any expected credit losses.

(e) Impairment of Assets

At the end of each reporting year, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of assets, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis, except for the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO. The GST component of financing and investing activities which is recoverable from, or payable to, the ATO is classified as a part of operating cash flows. Accordingly, investing and financing cash flows are presented in the statement of cash flows net of the GST that is recoverable from, or payable to, the ATO.

(i) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(j) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting year.

(k) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting year for goods and services received by the company during the reporting year which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(l) Project visit expenses

Project visit expenses includes both domestic and international staff travel as well as travel expenses for guests visiting the international development projects which is a cost invoiced to and paid for by the guest participants.

(m) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Independent Auditor's Report

To the members of So They Can

Report on the audit of the Financial Report

Opinion

We have audited the Financial Report of So They Can (the Company).

In our opinion, the accompanying Financial Report of the Company is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, including:

- i. giving a true and fair view of the Company's financial position as at 31 December 2018, and of its financial performance and its cash flows for the year ended on that date; and
- ii. complying with *Australian Accounting Standards – Reduced Disclosure Requirements* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

The Financial Report comprises:

- i. Statement of financial position as at 31 December 2018.
- ii. Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended.
- iii. Notes including a summary of significant accounting policies.
- iv. Directors' declaration of the Company.
- v. Declaration by the Board of Directors in respect of fundraising appeals of the Company.

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *ACNC Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other information

Other Information is financial and non-financial information in So They Can's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- i. Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosures Requirements and the ACNC.
- ii. Preparing the Financial Report in accordance with Section 24(2) of the Charitable Fundraising (NSW) Act 1991 and Regulations.
- iii. Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- iv. Assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- i. to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- ii. to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Report.

As part of an audit in accordance with *Australian Auditing Standards*, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- i. Identify and assess the risks of material misstatement of the Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- iv. Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors of the registered Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In addition we have:

- i. Obtained an understanding of the internal control structure for fundraising appeal activities.
- ii. Examined on a test basis of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Act and Regulation.

We have not audited on a continuous basis the accounting records relied upon for reporting on fundraising appeal activities. These do not necessarily reflect accounting adjustments after the event or normal year-end financial adjustments required for the preparation of Financial Report such as accruals, prepayments, provisioning and valuations.

Report on Other Legal and Regulatory Requirements

Opinion pursuant to the Charitable Fundraising Act (NSW) 1991

In our opinion:

- i. the Financial Report gives a true and fair view of the Company's financial result of fundraising appeal activities for the financial year ended 31 December 2018;
- ii. the Financial Report has been properly drawn up, and the associated records have been properly kept for the period from 1 January 2018 to 31 December 2018, in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations;
- iii. money received as a result of fundraising appeal activities conducted during the period from 1 January 2018 to 31 December 2018 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations; and
- iv. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.
